

*the exterior look

*long windows and long doors design has created a french look.

*opening has the hinged double door

*the concept of having black and white window has carried forward along with floor tile.

*have covered maximum natural light with such design.

- *entrance must be striking.
- *keeping that, the 'signs' has been covered on the left side and some vertical gardening on the opposite side with the name "echoes" on it.
- *with black matt floor tile and wooden false ceiling enhancing the entrance look.

*signs has the most essential part and also to carry out its brand
*keeping that, signs has been designed in 3d and can showcase its shadow in the mirror behind with metal framing.

*below there are number of pieces of wood standing vertically with groves.

- *the sign board wall creates a partition.
- *it doesn't make the space clutter.
- *simplicity and spacious look makes the design look elegant

- *Sleek Bar counter
- *Ac coming on the ceiling has been painted with cement texture
- *Complete true ceiling painted with slate grey
- *Furniture finish kept subtle.
- *flooring has been kept loud and striking
- *vertical partitions with vertical garden to cover kitchen door and washroom door.

*fabricated teal blue color sofa with contrasting table and chair

*hanging lights and wooden paneling with spot and cove lights falling to enhance the wall cladding

*with too many beams and columns present there has been formation of design acting as partition with textured

- *the theme is rustic look with french cum contemporary
- * added a rustic look in the corner space with benches
- *rustic furnitures,adding rustic ledges with artifacts

*right side of this area
has a consoled room.

*left side has a
washrooms.

*this space has created to
have a separate space
along with some lights.
